

Park Hours

Tatum Park is open every day of the year from 7am to dusk, free of charge. Park Rangers are available to assist you.

Information about Lyme Disease

To avoid contact with the tick that may carry Lyme Disease, stay away from tall grass and shrubby areas, wear light-colored clothes, tuck long pants into socks, and check yourself for ticks during and after each visit to the park.

For More Information

For information about Monmouth County's 43 open spaces, parks and golf courses, or a complete listing of the 6,000 classes and programs offered by the Park System each year, call 732-842-4000 ext. 4312 or visit www.monmouthcountyparks.com.

From the Garden State Parkway: Take Exit 114. Northbound turn right, southbound turn left, onto Red Hill Road north. Continue for 1 mile, Red Hill entrance is on the left. Or, turn left onto Van Schoick, follow for 1 mile and turn right onto Holland Rd.

From Route 35: Northbound turn left, southbound turn right onto Laurel Avenue (in Holmdel). Follow for 1.5 miles, turn left onto Holland Road and follow to park entrance on right for Holland Activity Center. Continue on Holland Road and turn right on Red Hill Road, for the park's main entrance.

Monmouth County Park System

Tatum Park

Middletown Township, NJ

www.MonmouthCountyParks.com

Welcome to Tatum Park

Tatum Park has 366 acres of rolling hills, open fields and bird-filled woods as well as two Activity Centers, a playground, and miles of scenic trails. The park is named for the Tatum family, who donated 73 acres of property to the

county in 1973. Additional land was purchased with Federal Land and Water Conservation Funds and assistance from the New Jersey Conservation Foundation.

Tatum History

In 1905, glass manufacturer Charles Tatum of New York City purchased land in Middletown as a summer home for his family, close to factories in nearby Keyport and Millville. His company made laboratory glassware, bottles, decanters, paperweights, and glass insulators (pictured). Some of these pieces are on display in the park's *Holland Activity Center*, which used to be the former family home. Tatum's daughter-in-law Genevieve donated part of the family property to the county in 1973.

The *Red Hill Activity Center* - a former radio propagation site - was given to the Park System in 1974. In 1981, a special wing, funded by the Heath family of Middletown, was built to honor Mary and Clinton Heath, a freed slave from North Carolina who became the first black farmer to settle in the area. The wing features memorabilia from the county's early black community and hosts programs to celebrate African American History.

Holland Activity Center
Located off Holland Road, this beautiful and elegant historic building is used for meetings, and social events.

Red Hill Activity Center

The sound of voices often fills this center, located off Red Hill Road. It's home to a variety of workshops, classes, and auditions.

Meeting rooms at both locations are available for rental. Visit MonmouthCountyParks.com. Click Facilities/Room Rentals for site photos. Call 732-842-4000, ext. 1 for reservations.

Protect Your Parks

The Park System preserves and manages natural and cultural resources on more than 16,000 acres of land in Monmouth County. Protecting water quality, eliminating invasive plant species, and promoting healthy wildlife habitats are just a few objectives. Please help protect the park by leaving flowers, plants, animals, and other features as you found them; adhering to the posted park rules; using designated containers for trash, recyclables and pet waste; and keeping your pets leashed. Alcoholic beverages are not permitted.

An overabundance of white-tailed deer in and around the parks is threatening the health of native plant and animal species. Portions of Tatum Park may be open for deer hunting during all or some of the State-regulated hunting season. All hunting areas are posted. Call 732-842-4000, ext. 4237 or visit www.MonmouthCountyParks.com for information.

Trails of Tatum Park

Tatum Park has more than 6 miles of multi-use trails. Walkers, runners, bicyclists and equestrians can watch the colors change each season on winding paths through stands of tulip trees, and red and chestnut oaks. Or, enjoy the quiet landscape on trails through beautiful fields and meadows.

Meadow Run Trail

Please plan your route, take a trail map with you, and follow signs to remain on marked trails. Also, wear appropriate safety gear and obey the rules for right of way: bicyclists yield to all other trail users; pedestrians yield to equestrians.

You may notice that many field edges are mowed to provide additional access. These are not marked trails.

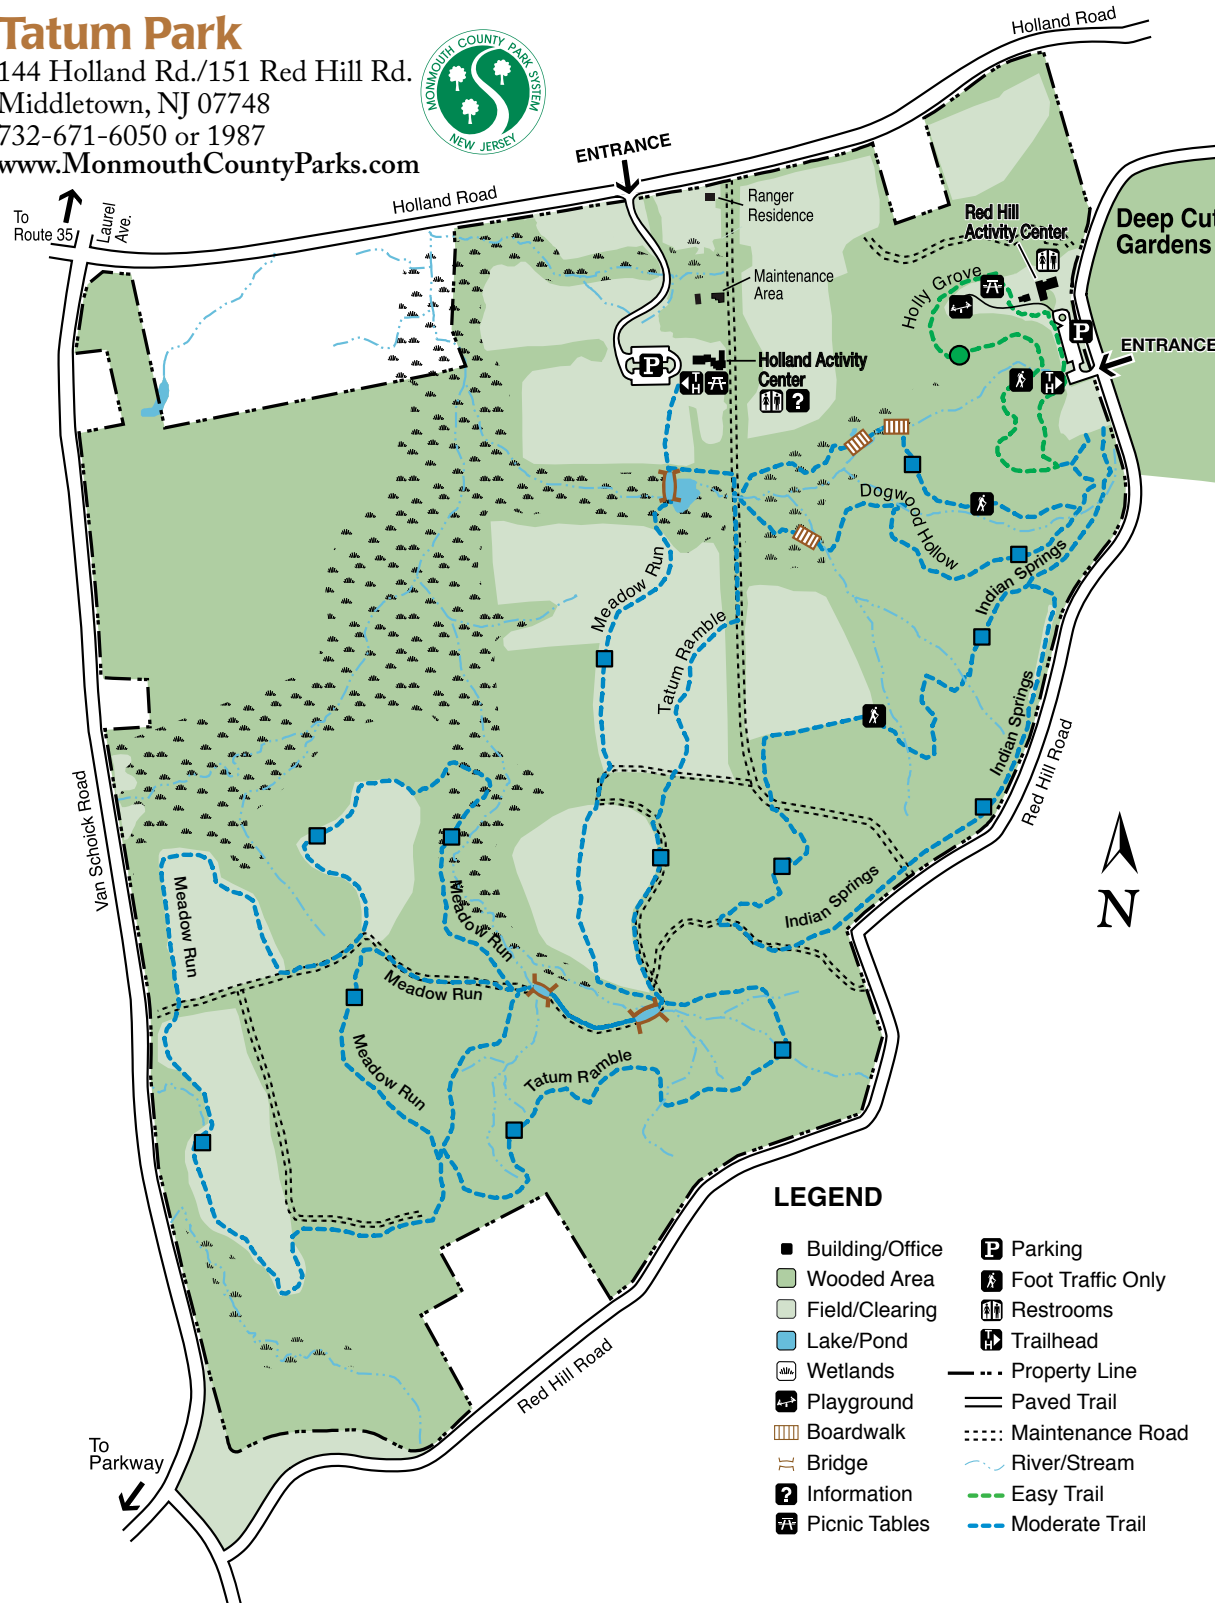

NOTE: At a brisk pace, it takes approximately 20 minutes to walk 1 mile (1.6 km).

Tatum Ramble Trail

Tatum Park
