

## Give back to the land

### You can help prevent weeds if you:

- Learn to identify local weeds
- Pull 10 weeds every time you visit
- Check yourself and pets for weed seeds
- Prevent vegetation or soil damage
- Keep yourself and dogs on trails in heavily weed infested areas

### You can help reduce user conflicts if you:

- Are courteous, friendly, and respectful to other visitors
- Keep your bike on designated open routes
- Do not build structures or new trails
- Slow your bike when passing others
- Control your dog
- Pack out your dog's waste
- Pack out more garbage than you brought
- Use public restrooms
- Keep off private property and out of closed areas
